## North Central Opens

### School Gets Bumper Crop

at Hancock  
The new school—con-  
North Central—is ex-  
well to nearly 800,  
pre-opening estimates,  
the first few days, ac-  
superintendent R. E. Webb.  
The school plan now  
people who formerly at-  
the school, Deane and  
School opened its doors  
the first time Friday when  
the 1959-60  
year, the school en-  
ment at 761. Webb and  
school board had been  
in terms of almost 700.  
The school was in the  
with 82 pupils and  
plans to ask the  
Department of Education  
for an additional  
teacher-pupil  
ratio. The first

grade is in two sections now but  
with 30 as the ideal figure per  
class, he noted that this would  
be only eight short for a three-  
teacher unit. Based on last year's  
enrollment only 65 had been ex-  
pected to enter.

Every class is in two sections  
now except the senior group which  
numbers 34. That number is ex-  
pected to gain some in the next  
few days.

Classroom space is adequate  
now, Webb reported, but if an  
additional first grade section is  
created, one class will have to be  
moved from the elementary wing  
into the high school section and  
the vacant music room there  
probably will be utilized as a  
full-time teaching area.

The school board had pur-  
chased about 100 more desks  
than it had last year, using pre-  
vious enrollment figures but first

and second grade classes found  
themselves about 12 short al-  
ready.

Cafeteria personnel also  
found themselves confronted with  
the bumper enrollment, serving  
788 lunches Monday and about 740  
Tuesday, but Webb said supplies  
and equipment were holding up  
well.

The building superintendent  
commended his staff on their  
performance at the opening of the  
year, noting that while facilities  
and all aspects of the operation  
were new to everyone, it went  
off as though they had been there  
three weeks.

Some sections are over-  
crowded because of pupils want-  
ing to stay with their classmates  
from their old schools but re-  
distribution will be made as soon  
as possible to ease this problem.

SHAMBLES AFTER SUNDAY WRECK—Mrs. Nellie E. Hill examines the debris left in her Elephant Rendezvous gift shop on U. S. 90, three miles west of Bay St. Louis, after an auto driven by Billy LaFontaine of Lakeshore plowed through the shop early Sunday morning. The auto entered through the front door and knocked out the right side wall of the building. Cause of the accident was undetermined. Damage to the gift shop was estimated at several thousand and the LaFontaine auto was a total loss.

## Postal Group Maps War on Firecrackers

The Mississippi chapter of the National Association of Postmasters will urge the Mississippi legislature to ban the selling or use of fireworks except when supervised by some public organization, according to Andy Becker, postmaster at Bay St. Louis.

Becker explained that the postmasters are concerned because of the damage done to mail boxes and mail by firecrackers being exploded in the boxes.

He estimated that the Post-office Department spent at least \$2,500 last year in investigating these incidents in Bay St. Louis. This is in addition to the property damage involved.

"The worst periods by far are during a holiday," he added, worried over the coming Labor Day weekend.

## Blood Bank Maps Plans For Two-Way Campaign

Faced with raising some \$400 for operating expenses and enough blood to replace the 60 pints borrowed from other sources as well as replenishing its own exhausted supply, the Hancock County Blood Bank will meet at 8 p.m. Friday at the Legion Home to complete plans for a two-fold drive over the next two weeks.

Meanwhile, a boost to the blood bank's efforts came this week from Bay St. Louis City Commission Council when Mayor John L. Scalfie proclaimed the week of Sept. 6 as Blood Bank Week and called on the citizenry to give every assistance to the organization.

Monetary contributions to date amount to only \$66 while the bank needs \$400 for operations. Donations should be mailed to P. O. Box 254, Bay St. Louis.

Arrangements will be made at Friday night's session for a street-corner solicitation throughout the area next week in an effort to reach every resident and all organizations throughout the county will be asked to lend their assistance both to raising money and blood.

The drawing, under supervision of technicians from Oschner Foundation Hospital, New Orleans, will take place Wednesday, Sept. 16 at the Youth Center. Mrs. Maurice Martin, bank secretary, said letters will go out next Wednesday and Thursday calling for donors and extended a plea to everyone to make their blood available at this time.

She emphasized that the drawing is not confined to white residents and urged that Negroes donate blood as well. Prospective donors are reminded not to eat for two hours before giving blood and not to partake of any alcoholic beverages that day.

Since the blood bank was organized more than \$100,000 worth of blood has been supplied to Hancock County through donors and borrowings from Oschner's. Mrs. Martin observed, in asking the public to participate in this campaign of the blood bank that the availability of this blood has played a vital part in keeping alive many accident victims and others seriously ill.

## Rig Erected For Oil Test At Ansley

Work on the new oil well in Ansley field is progressing according to schedule with the erection of the rig late last week. Proposed depth of the new development well is 11,000 feet.

Pioneer Oil and Gas Company, Inc. of Hattiesburg is drilling the No. 1 William R. Holden et al. Sec. 29-9S-15W. The drill site is 1,980 feet north and 330 feet west of an abandoned test in the field, the Tschirn No. 1 Drake-Gex.

Work on the new well will not be completed until much later, according to E. S. Drake. If the well is a producer, it will be the sixth one in the four-mile square field, he said.

Approximately 20 men in three shifts are working on the new well.

The petition filed by Paul L. McBride Jr. requesting the formation of the drilling unit was one of five permits issued this past week by the State Oil and Gas Board. There are 44 active field operations in Mississippi at present, and locations for 24 more field tests are scattered in various fields.

## Winter Garbage Pick-Ups Slated

Garbage collections in Waveland will return to their two-a-week schedule next week with the close of the summer season. Town officials said pick-ups will be made on Tuesdays and Fridays instead of three times a week as during the summer.

## Waveland Hikes Gas Rates 50%

A 50 per cent hike in natural gas prices and an additional levy of three mills for the bond and interest fund were approved Tuesday night by the Waveland Town Council.

The increases are included in the new 1959-60 city budget and will become effective at the beginning of the fiscal year Oct. 1. Total amounts of the budget are approximately the same as in 1958-59.

The new monthly minimum gas rate will be \$2.25 instead of \$1.50. Other rate changes will be .75 per 100 cubic feet for the first 200 cubic feet; \$1.50 per 1,000 cubic feet for the next 4,000; \$1.35 per 1,000 for the next 2,000; and .90 per 1,000 cubic feet for all above 6,200 cubic feet. Delayed payment charge will be 10 per cent of the total bill.

The additional \$16,000 the new rates are expected to yield will go toward meeting rising wholesale prices which have been increased four times since 1956 by the Federal Power Commission amounting to 46.95 per cent while the town has had no hikes.

The same 10 mills levied before were approved for the general fund. A weakness in the bond and interest fund was observed since it had no reserve left. Interest on a \$28,000 street improvement bond issue had been paid last year out of the fund when it wasn't included in the budget.

The new budget includes a \$2,000 allotment for the proposed remodeling of Town Hall after completion of the Waveland School lunchroom addition. Plans for publication of the budget were approved instead of posting the budget on the town bulletin board as done in the past.

An amended budget was also adopted for the rest of the 1958-

59 fiscal year to take care of some small increases collected in the funds.

Sam Powell, John May and Bill Bass of Moore and Powell, certified public accountants of Biloxi, conferred with the board during a special budget session last Tuesday. The firm is employed as city auditor and showed the aldermen what was allotted on last year's budget.

In other matters council decided to leave the stop light at Beach Boulevard and Coleman Avenue in year-round operation and to install a new switch-box since several accidents had occurred at the intersection when the light was off for the winter.

Consulting engineer George Ham of Porter, Barry and Associates of Baton Rouge reported his company would contact Mayor Carlisle Lusher Saturday about a survey of the city streets paved by Gulf Paving Co. last year. General manager A. O'Koon confirmed earlier in a letter to the council that his company would pay for the services of a registered engineer to examine the streets.

Council had refused final payment to the firm on the basis that the contract had not been fulfilled according to the terms and conditions set out.

A committee from Gordon Street composed of L. W. Ward, Jr., A. Nestor and A. J. Faust, protesting the bad condition of the street was told that all dirt streets were in poor repair now because of the heavy rains, but improvements would be made in the near future.

Council accepted a \$144 bid from Dement Printing Co. of Meridian for 1,800 sets of tax receipts, one bid submitted for the job. A bid for two water coolers at \$379.90 was accepted from W. A. McDonald and Sons.

A small advertisement was approved in The Mississippi Register, an official paper of the Diocese of Natchez-Jackson, for the special November issue commemorating the golden sacerdotal jubilee of Bishop Richard R. Gerow, and the 35th anniversary of his becoming bishop.

Eleven building permits were approved as follows: George H. Will, dwelling, Jeff Davis Place Subdivision, \$1,000; D. E. Wilcox, brick building, Waveland Terrace Subdivision, \$5,000; Louis Mastro, dwelling, Waveland Terrace Subdivision, \$1,500; Tennessee Gas, two dwellings in Holiday Hill Subdivision, Jeff subdivision, on Farrar Street, in Gulf Gardens, on Terrace Street, \$13,600 each, and in Second Ward, \$14,380; and Delores Johnson, dwelling Bummy Park, \$1,000.

## Perry Awarded Johns Hopkins Scholarship

Ted Perry, son of Mrs. Edward S. Perry of South Beach Boulevard, leaves by plane tonight for Baltimore, Md., where he has been awarded a three-year scholarship to Johns Hopkins University.

Mr. Perry has completed three years of undergraduate study at Baylor University in Texas and will take courses in entomology at Johns Hopkins, planning to enter the field of medicine.

## At Church Meeting

Rev. Charles R. Johnson, rector of Christ Episcopal Church, is attending a meeting of the clergy of the Diocese of Mississippi at Rose Hill.

## Correction

Last week's story dealing with an election night ruckus is incorrect in that Joe Miller and Charles Miller did not post \$25 bond. So far no warrant has been served.

## We're Growing

A new A & M Pest Control service, Miller the Killer, is now being operated by Emile Schayest at HD-7-4328.

C & S Supermarket has joined with RGA (Independent Grocers Alliance) and is holding a grand opening this weekend. It is now one of over 6,000 independent retailers joined together to form the largest independent voluntary group in the world.

NEW COMPLIMENT—These eight new Bay High School teachers were introduced at a "get acquainted" meeting last Thursday afternoon in the home-making department. Seated from left are the Miss Am Dexter, Mrs. Julia Ann Hathaway, Standing are Miss Shirley Gregory, Miss Bobby Baker, Frank Lader, Mrs. Merle L. Little, J. C. Bishop and Rupert Ireland.

## Dairymen Object to Bid Accepted by School Board

After acceptance of the bid to supply milk to the school, the dairymen objected to the bid.

Central school but R. E. Webb, superintendent at the new facility, assured them it was part of the opening day problems and the kinks were being ironed out promptly.

After Walter J. Phillips, attorney for the board, advised trustees of the attorney-general's ruling on advertising for bids related to supplies at North Central, it was voted to ask for prices by 9 a.m. Sept. 19 for football equipment for the new school. Phillips advised that all purchases over \$100 must be advertised for bid, regardless of the urgency.

## Identified Avoid Confusion

The school board's business, explained that because the board had taken action in the milk supplier, it was to rescure this year's milk to give the consideration in the future, the board of patrons appear to explain their children's confusion at the roadside as buses are running to the new North

Central school but R. E. Webb, superintendent at the new facility, assured them it was part of the opening day problems and the kinks were being ironed out promptly.

After Walter J. Phillips, attorney for the board, advised trustees of the attorney-general's ruling on advertising for bids related to supplies at North Central, it was voted to ask for prices by 9 a.m. Sept. 19 for football equipment for the new school. Phillips advised that all purchases over \$100 must be advertised for bid, regardless of the urgency.

In authorizing bids on football gear, the board specified that half the bill would be payable by next March 1 from the school's athletic funds, the balance coming from the board money earmarked for North Central if the other is not sufficient, and the remainder by March 1, 1961, on the same basis. Also directed for bid were miscellaneous science and chemistry laboratory equipment at North Central.

## Labor Day Plans Told

The Labor Day holiday will move back a day garbage collections in Bay St. Louis, Mayor John Scalfie has announced.

The route normally collected on Monday will be picked up on Tuesday next week while the Tuesday route will be moved back a day until Wednesday.

Because of the holiday, the board of supervisors has postponed its first meeting of the month until 9 a.m. Tuesday and the county school board will meet at 2 p.m. Both bodies normally meet on the first Monday.

Most businesses will be closed Monday in observance of the holiday. Windows will be shut all day at the Postoffice, Winn-Dixie-Hill store employees will have the entire day off while A. & J. Grocery will be open all Monday. Among groceries planning half-day holidays, opening in the morning only, are Jitney, Jungle, C & S and Pitalo's.

Drug stores probably will remain open half a day. The Sea Coast Echo will observe the holiday.

BACK TO SCHOOL TREAT—Children poured forth like ants when the doors opened after the Star Theater's back to school cartoon feature-length picture show last Wednesday. These youngsters are some of the many who attended the annual event.

## Membership Drive Opened By Women Voters League

An intensive membership drive is being conducted for the revitalized chapter of the League of Women Voters following a meeting of three league officials with a group of about 25 Bay St. Louis and Waveland women Wednesday at the home of Mrs. C. C. McDonald Jr.

Members will be signed up and officers installed at the next meeting of the group Sept. 25 at the home of Mrs. D. G. Sellar. A program for the coming year will be adopted then.

A nominating committee is composed of Mrs. E. C. Samuel

## Meets Slated

Clarence E. Lader of Fenton, representative-nominate from Hancock County, announced this week that commencing in January he will be at the Courthouse in Bay St. Louis every Saturday morning for consultation with his constituents.

Lader, who will succeed Walter J. Phillips in the state legislature next year, said he will also be available to explain to anyone interested the reason for his votes on any bills.

## Signatures Sought On Clermont Plea

Petitions asking the Public Service Commission to reconsider its authorization for a rate hike by the Clermont Harbor Waterworks were distributed Saturday to volunteer workers for the Clermont Harbor Civic Association who will canvass the community for signatures on the protest.

Mrs. J. P. Rousseaux, association secretary, said the completed petitions are to be returned by Sunday night so they may be forwarded to the PSC before the 30-day limit for an appeal of its decision.

## Maybe, Maybe Not

Should the endorsement in principal of State ownership of the Port of Gulfport by Gov. J. P. Coleman and the executive committee of the Mississippi Agricultural and Industrial Board materialize into actual state ownership and operation, vast changes may be in store for the coast counties. Whether good or bad changes could depend on many things.

This paper is basically opposed to public ownership, but sometimes it is the only practicable answer to a major need. Nevertheless, public ownership can too often be used as a political weapon, particularly in a state without an effective civil service program.

Hancock County, in any event, does not appear to be directly effected, but what helps our neighbor usually helps us. Perhaps eventually, this area can get its own State supported harbor and port facilities.

## Poor Losers

Mr. Alex Olmedo from Peru virtually single-handedly won the Davis Cup for the United States last year. Last week he won one of his two singles matches and was on the losing doubles team in the United States' loss to Australia. Some sports writers and tennis enthusiasts are now criticizing Mr. Olmedo, saying he didn't try hard enough.

Perhaps Mr. Olmedo was stale from too much tennis or conceivably he didn't try as hard as he sometimes has, though we doubt it. Irrespective, the squawkers sound like poor losers to us. Hope our local losers are better sports.

Hancock Countians need their share of blood transfusions, but they aren't doing their share of giving, either blood or the small amount of money needed to keep the Blood Bank in operation. The Commission Council has proclaimed next week Blood Bank Week in Bay St. Louis.

Let's give the money needed to operate the Blood Bank next week, and on the following week let's give the blood.

Labor Day will bring a rush to the highways. Some of our roads are dangerous anytime. This weekend is a particularly good time to use them as little as possible.

## K.C. Notes...

The exemplification scheduled for Sept. 6 at Pascagoula has been postponed until Nov. 8. All prospective members please take note.

Next Sunday is Communion Sunday at Our Lady of Gulf Church at 7 a.m. mass. Breakfast will be served in Parish Hall later.

Though a little late, our sincerest wishes to those whose birthdays were in August. Ted Morel Sr., Aug. 5; Henry Lang Aug. 8, and George E. Heltzmann Aug. 31.

Happy Anniversary to Mr. and Mrs. Charles Gotschalk, Aug. 19 on their 20th anniversary.

Congratulations to the K of C softball team, their manager and supporters. Though not very successful in the number of games won they have proved themselves good Knights and good sportsmen.

Grand Knight J. T. McCaleb Sr., Ed Murtagh, Ted Morel Sr. and Gerard Freeman attended a special meeting with the Pascagoula Council and a meeting at Biloxi last weekend. The meetings were under direction of Ed Murtagh, district deputy, on the forthcoming exemplification Nov. 8.

A Columbus Day celebration is being planned and Grand Knight McCaleb announces the program will include a banquet for members and wives.

Because of Labor Day Monday the first meeting for September has been postponed until the second Monday.

## By Gone Days

### 10 YEARS AGO

Sept. 2, 1949—J. B. Snider of Bay St. Louis and Mrs. Hermes Gaudier of Pascagoula are again the national committeeman and committeewoman of the Democratic Party following the action of the Mississippi State Democratic Executive Committee in Jackson on Monday.

### 25 YEARS AGO

Aug. 31, 1934—Charles A. Breath Jr., local haberdasher and prominent young citizen, was the victim of a vicious attack by a stray dog on Thursday afternoon of last week, to the extent that he had to be taken care of by a physician and confined to his room for several days.

For strength to strive  
And courage to endure  
We thank Thee, Oh Lord  
And pray Thee keep us pure.

Congratulations to Mr. and Mrs. Joseph (Humphrey) Kerns on the arrival of their first son Aug. 31.

Joe Kern general manager of Kern's 5 and 10, paid us an unexpected visit Monday. We are happy to know he will again be able to attend regularly.

Ed Murtagh, district deputy, announces that the next inter-coastal meeting will be in Gulfport Sept. 27th.

## Congressional Sidelights

By Rep. WILLIAM M. COLMER  
Civil Rights

We have now completed eight months in this session of the Congress, which is one of the longest peacetime sessions in recent years. Both the house and the senate have dilly-dallied along with minor legislative matters, leaving the most controversial ones for the end of the session. The only legislative proposals preventing an adjournment are a highway bill, Conference Report on Labor Reform legislation and foreign aid. But hovering over the whole picture, like Banquo's ghost, is further civil rights legislation.

The House Judiciary Committee has, after months of hearings, reported a modified civil rights bill. The "civil wrongs" advocates in the Senate are threatening to attach a strong civil rights amendment to some house-passed bill. However, any civil rights bills or amendments, either as a senate-passed bill or a house committee bill, must clear one of two hurdles. It must clear my own Committee on Rules or a majority of the house members (219) must sign a petition to discharge the Rules Committee. We can see no likelihood of this happening in the next thirty days. It is hoped that certainly Congress will adjourn before that time. At this time we see no prospects for such legislation at this session.

### Hawaii

The eight large islands of the Hawaiian archipelago have officially become the 50th State of the United States of America.

## Letters to The Editor

Editor, Sea Coast Echo:

It was very nice of you to send a photographer out to Pascagoula voting precinct last Tuesday to take the managers' pictures. And the picture in your paper was most flattering—to all four of us.

But, sir, from where—and from whom—did you get the information that "dissemination broke out among election managers during the first primary balloting"? There was NO dissemination among the managers! I refer you to Mrs. Thomas Lynch, Mr. Lester Chastant and Mr. Bob Dubon. Will you please check with them and print a correction.

Very truly yours,  
Mrs. Thomas C. Wicker, Sr.  
Pearlington.

(EDITOR'S NOTE: Mrs. Wicker has done a real good job of slapping our wrist and, from all we can learn, justifiably. We can't even pass on the slap to the reporter-photographer who wrote the column referred to since he left Friday to return to college.)

Many thanks for your patronage during the past 4 years that I have been in business. Without your patronage I would have never been able to serve you so long. Due to sickness I have been forced to sell out. In the future my successor will serve you as I have in the past.

Again many thanks,

## ... THE MOST IMPORTANT DAY IN MISSISSIPPI'S ECONOMIC HISTORY

That Tuesday morning 20 years ago opened a new era for Mississippi. On a small hill south of Yazoo City, excited men watched as a Union Producing Company exploratory well, the No. 1 G. C. Woodruff, was completed officially as Mississippi's first commercially-producing oil well!

From that beginning, the oil and gas industry has grown to take its place among the leading elements in Mississippi's expanding economy. To date, the oil and gas industry has put more than \$1.5 billion of private risk capital to work in Mississippi, and more than 10,000 Mississippians are now employed in its vast operations.

United Gas is proud of its part in the origin and the continuing progress of the oil and gas industry in this state.

## Georgi Keeps Slim Lead as Season Ends

The tie for first place in the Bay Fishing League was finally broken last Thursday night when Georgi's edged the Truett team in a hard fought game 6-4.

This win gave Georgi a full game lead over second place Truett but Tuesday night they were unable to stop the Royal Beer sluggers and lost 8-6. This cut Georgi's lead to a slim half game.

The Georgi team has completed its schedule for the season while Truett's has yet to meet the late from the Youth Center. Should Truett defeat Youth Center, which they figure to do on paper, this would result in a tie for first place between Georgi's and Truett's.

In the other game last Thursday St. Louis and Sons almost stunk out Southern Realty 10-1. Friday's game between C & S and Youth Center was a thriller when the Youth Center led drove to a run in the last half of the sixth to break a tie and win 12-11. In the other contest Royal beat C & S 10-4. Tuesday's other contest was NIA defeat St. Louis 10-3.

The last two games of the season are tonight when NIA meets SC while Truett battles for a first place tie in its game with Youth Center.

No one has been out for the championship play-off but it probably will be sometime next week. The league champion will be the winner of these out of two games.

## Shoulda Gone Fishin'

BY EDDIE ENGELHORN

The current "hot spot" is the Keys according to reports from local fishermen. The fall run of bull reds has already begun.

Norman Remshaw is advising his friends to bring heavy tackle after having his torn up by one of the bulls that are being caught in this vicinity. Remshaw couldn't be reached but we understand his catch included three reds weighing about 20 pounds each.

Dr. William Wood won the Pass Rodos with a 30 pound bull caught at the Keys last week.

The fall run of mackerel has also begun and some fine catches have been reported along the railroad bridge. The best bait is said to be "sardines" caught in a cast net, split lengthwise and fished about two feet deep.

Flounders are being caught again now that the water has cooled a little. Timothy Finn and two of his buddies from New Orleans speared an undisclosed number over the weekend near Clermont Harbor.

Veteran fisherman Robert Gaudin reports that he has been hooked for the past month because of illness but understands that fresh water fishing is improving. Clearing water and low stream flows are making ideal conditions for green trout and perch catches, he says.

## LEGAL NOTICES

The Board reserves the right to accept or reject any and all bids.

**A GOOD DAY'S WORK**—Mr. and Mrs. Kearny Robert of Farrer Street, Waveland, and New Orleans pose with the six-foot sailfish he caught Aug. 22 at Ft. Walton, Fla., aboard the Sea Blacut. It was No. 36 of the season at the Florida beach and Robert's first ever, although he's an old hand at Gulf fishing along the Mississippi Coast. Accompanying him on the excursion with Mrs. Robert were their children, Kearny Jr., 16, and Beverly, 13.

## Top Sailing Prizes Go To Judy Reeves, Taylor

Judy Reeves, 14-year-old daughter of Dr. and Mrs. Richard Reeves, won the trophy for the best sailor while Dean Taylor, young son of Mr. and Mrs. Gary Taylor, received the award for the most improvement as Bay-Waveland Yacht Club wound up its 1959 season at an awards banquet Sunday night.

More than 100 persons were enrolled in two series of sailing classes, ranging in age from nine to 50, and a two-week regatta was staged to complete the lessons. Director Kelli Reiss presented the prizes and certificates of merit.

He also awarded to Ballard Argus the first place trophy for the long distance race from Bay St. Louis to Pass Christian. Second place went to Topper Thompson.

First places in the student races went to: Anne Zoller, Mrs. G. S. Kennedy, Jeanne Edwards, Buddy Bond, Jimmy Crane, Chuck Breth, George Horton, Phil White, Mike Poindeux, Bonnie Riess, Michael Plumbert, Peggy Lamb, Jane Ferry, Dean Taylor, Valon Seuzenseau and Dennis Seuzenseau. Finishing second were Lynn Ogden Rose, Mrs. Dan Penicote, Maureen Gulgley, Eddie Carver.

## TO THE WONDERFUL PEOPLE OF HANCOCK COUNTY

I wish to express my profound and sincere thanks to the voters of Hancock County who took part in electing me your Chancery Clerk on August 4th.

To those who for some reason or other could not support me during my campaign I hold no ill will or ill feelings.

I shall ever be mindful that I am a public servant and my services shall be available to all of the people.

I will work hand in hand with all of the elected officials to make Hancock County the best in the State of Mississippi.

Respectfully,

Claiborne J. Ladner

## TO THE PEOPLE OF HANCOCK COUNTY

I wish to take this means of expressing my sincere thanks for the wonderful vote and support given me in the primary on August 25th and for the confidence you have placed in me in electing me as your Tax Assessor. I shall always be grateful.

I wish also to extend my congratulations to my opponent on the manner in which he conducted his campaign.

Thanking you again and assuring you that I will make you a good public official and that if I can be of service to anyone at anytime I shall always consider it a pleasure to know that I can be of some help.

Respectfully,

George E. Heitzmann

### Miss Scafide And Fiance Tell Plans

Miss Alice Blaise Scafide and her fiance, Lawrence Kronenberg of Florham Park, N. J., have chosen attendants for their wedding which will take place at 12 o'clock noon Sept. 12 at Our Lady of the Gulf Catholic Church.

The bride-elect's parents, Mayor and Mrs. John A. Scafide, will be hosts at a reception immediately following at Bay-Waveland Yacht Club.

Miss Scafide has asked Miss Jeanette Monti of Bay St. Louis to serve as her maid of honor. Mr. Kronenberg, son of Mr. and Mrs. L. P. Kronenberg of Pittsburgh, Pa., will have his father as best man.

Bridesmaids will be Miss Andrea Blaise of Pt. Allen, La., cousin of the bride-elect; Miss Jo Ann Crasto of New Orleans, Miss Paula McCormell of Ft. Wayne, Ind., a sorority sister of the bride-elect at the University of Michigan; and Miss Lucia Dubois of Baton Rouge. Junior bridesmaid will be little Janet Blaise, a cousin of Miss Scafide.

Usher-groomsman will be Charles E. Carter, Lawrence A. Mauffray, Charles Staehle, C. P. Piazza and Curtis Matherne, all of Bay St. Louis, and Capt. V. J. Frankiewicz of Eglon Field, Fla.

Prenuptial entertaining will conclude with an after rehearsal supper next Thursday given by Mr. and Mrs. Alden Mauffray at their home.

Among recent parties for the popular bride-elect were a linen shower given by Mesdames Warren E. Traub and John C. Glover last Thursday and a kitchen shower for which Mrs. Theo Tushy and her daughter, Mrs. Dan M. Russell Jr., were hostesses Wednesday. Mrs. Charles E. Carter will entertain at the bridesmaids' luncheon Sunday at her home.

Mrs. Ellison Gives Last Mission Class

Mrs. A. M. Ellison Jr. presented the final session of the mission study, Understanding Other Cultures, when the afternoon circle of the Woman's Society for Christian Service of Main Street Methodist Church met Aug. 18.

Twenty members and three guests met in the home of Mrs. J. F. Dicks on Beach Boulevard, Waveland. Mrs. Alice Buckley presided over the business session.

Mrs. C. C. McDonald read the scripture selection and Mrs. C. M. Shipp gave the closing prayer.

Assisting Mrs. Dicks in serving refreshments were Mrs. J. B. Goldman and Mrs. Buckley.

Marriage Licenses

Four applications for marriage licenses of area interest were recorded in the Clerk of Courts A. C. Mitchell's office for the period ending Sept. 2.

They were Camille A. Onorato, Bay St. Louis, and Theresa Sterling Lauricella, New Orleans; John Paul Holt, Seattle, Wash., and Mrs. Agnes Lucille Patenotte, Mississippi City; Henry Thomas Watts, Picayune, and Sybil Jean Dawsey, Logtown; Raymond Victor Bailey, Bastrop, La., and Miss Amelia Shelby Weston, Bay St. Louis.

### Prenuptial Parties Start For Miss Salvant, Fiance

Prenuptial entertaining for Miss Brenda Evie Ann Salvant, bride-elect of Ernest Allen Sallee Jr., USAF, began Saturday when Mrs. Harold Wilcox and her daughter, Miss Leanne Wilcox, were hostesses at a punch party.

Tea girls were the Misses Sybil and Donna Higgins, Lynda Wilcox and Eva Poche.

Guests included Mesdames Hamilton Guehard, Clifton Salvant, Donald Higgins and the Misses Peggy Hanemann, Gwendolyn Heltzman, Deanne Derbes, Claire Wellbacher, Denise Bourdeaux, Penny Munster, Catherine Weiss and Kay Calonge.

Mr. and Mrs. Charles Poche and their son, Leonard Poche, will entertain for the young couple Saturday evening while Mr. and Mrs. Walter DeBlanc will fete the betrothed pair 7 to 9 p.m. Sunday.

Miss Peggy Hanemann, who will be maid of honor for Miss Salvant, will give a kitchen shower on Friday, Sept. 11. Mrs. Lucas Bruno will entertain with a kitchen shower for the bride-elect Saturday, Sept. 12, at her home on Fontainebleau Drive.

Mrs. J. Louis Costa and her son, Louis Costa, will fete the couple upon their return from a European trip. Mr. and Mrs. Joseph Greene will entertain at their home on Taft Place Sept. 13 and Dr. and Mrs. Frank Loria will give a buffet supper Sept. 17 for Miss Salvant, Mr. Sallee and his parents, Col. and Mrs.

Ernest Allen Sallee of Arkadelphia, Ark., and their daughters, the Misses Mary Jo, Jane and Joan Sallee.

Colonel and Mrs. Sallee will give the after rehearsal party Sept. 18 while Mrs. Hamilton Guehard Sr. will be hostess at a breakfast Sept. 19 at her country home, Gulf Gardens, Waveland, for her granddaughter and her houseguests, the groom-elect's family.

The wedding is to take place Saturday, Sept. 19 at Our Lady of the Gulf Catholic Church.

### Miss Weston Will Marry On Saturday

The marriage of Miss Amelia Shelby Weston, daughter of Mrs. Elizabeth McColloch Weston, to Raymond Victor Bailey of New Orleans, son of Mrs. Estes C. Dyess of Bastrop, La., will be solemnized at 7 l.m. Saturday, at Christ Episcopal Church.

Immediately following the ceremony a small reception will be given at the home of the bride's mother on South Beach Boulevard.

Miss Weston will have as her matron of honor and only attendant, her sister, Mrs. John Martin Praering of New Orleans.

Albert M. Alexander of New Orleans will be Mr. Bailey's best man.

Miss Seuzeneau, Eugene Lagarde Say Vows Friday

Mr. and Mrs. George L. Seuzeneau Jr. and members of their family left Wednesday for New Orleans where they will be guests at the Monteleone Hotel until after the wedding of their daughter, Miss Jeannine Dennis Seuzeneau, and Donald Eugene Lagarde Jr. which will take place Friday.

The wedding will be solemnized at a nuptial mass at 10 a.m. Friday at St. Louis Cathedral with the bride-elect's parents entertaining afterwards with a reception at 1629 Washington Avenue.

Mr. and Mrs. D. E. Lagarde of Atlanta, formerly of New Orleans, parents of the groom-elect, were hosts at the after-rehearsal supper Wednesday evening at a French Quarter restaurant.

Each child receives individual instruction at PICCOLA DUMESTRE'S SCHOOL OF DANCING. Register Sat. morning Sept. 5 or 12.

Hosts for MYF

Billy Pitcairn entertained the Methodist Youth Fellowship of Main Street Methodist Church at its snack and chat hour Sunday night after services. Hosts this Sunday will be Edith and Warren Traub Jr.

**Pharmacy—Here Today And Here Tomorrow**

Look out for door-to-door and mail order vitamin vendors, the Food and Drug Administration. Too often they peddle miracle "cures" that no vitamin product can achieve.

Medicines are here today—but where tomorrow? Heed the warning claims about "food supplements" can prove to you in terms of both money and health. Your pharmacist is the one professionally qualified to determine your requirements, and your pharmacy is the logical place to get all pharmaceuticals, including vitamins.

Your pharmacist is here today and will be here tomorrow ready to serve you.

**Ports Operation Cited for Rotary**  
"Good ports are a requisite for a major country", Capt. Thomas L. Lewis, USN (ret.), told the Rotary Club at its luncheon Wednesday. Lewis, now director of marine operations for the New Orleans Port Commission, spoke on the operation of the New Orleans port and of its importance to the economy of the area. Asked his opinion on the effect the opening of the St. Lawrence Seaway has had on the port of New Orleans, Lewis replied emphatically, "None so far", but went on to explain that future development might divert material quantities of grain from New Orleans.
